THE GENESIS OF ZENITH KLUB IKENNE

PREAMBLE:

It is interesting to state, ab-initio, that the Zenith Klub Ikenne, founded 40 years ago, which is the reason for this Anniversary, is challenging the effort of the adage which says, "Twenty (20) Children cannot play for twenty (20) years" and the obvious reason for this challenge is in the details below.

THE GENESIS:

In reference to the above adage, we were close to 20 number of friends from the beginning with common characteristics such as DETERMINATION, RESILIENCE, INTEGRITY and HUMILITY with a view to becoming successful in any legitimate human endeavour.

In the course of life adventures in those rough and tough days of uncertainty, some of us, on the invitation of one of us, "Maito", as fondly called, went on excursion for land cultivation in the bush close to Mayflower School, Ikenne Remo. At the end of the day's hard work, we were hungry, and we decided to visit our Mama, Zenita Ogunlade's Mother, popularly known as Iya Muiwa, who was working in Mayflower School Ikenne as a Chef. Mama Muiwa warmly provided us food, which we thankfully demolished.

While going home, we gloriously sang in appreciation of Mama Muiwa's food. Suddenly, the idea to transform our friendship to a reputable association was shared by "Maito", which was happily accepted by all and behold, a 15-member Klub was founded in 1985 with the first name, IKENNE FUTURE MILLIONAIRES' KLUB (IFMK). As time went on, there was a change in nomenclature to UREN FUTURE MILLIONAIRES' KLUB (UFMK), and now, ZENITH KLUB IKENNE (ZKI) a name, registered with Corporate Affairs Commission (CAC).

It is note worthy to inform that this Klub has its Corporate Social Responsibilities such as, yearly donation of large quantities of 60 leaves of exercise books to public Secondary and Primary Schools in Ikenne and its environs, provision of social safety nets for the elderly in Ikenne and its environs, offer of scholarship to indigent students in Ikenne e.t.c.

To God be the glory, the current 12-man members of Zenith Klub Ikenne have achieved tremendously in various human endeavours. While some are permanent residents in the United Kingdom, Belgium, and Australia, others are doing great in our home land, Nigeria.

At this juncture, it is socially expedient to inform that application for membership of this great Klub is open to Male Nigerians with verifiable means of livelihood, irrespective of country of residence.

Thank you for your attention.

OGUN SATE ANTHEM

**National Anthem**

Nigeria we hail thee
Our own dear native land
Though tribes and tongue may differ
In brotherhood we stand
Nigerians all, are proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation
Grant this our one request.
Help us to build a nation
Where no man is oppressed
And so with peace and plenty
Nigeria may be blessed.
